ABOUT VIBE HCM

Our specialty is creating easy-to-use HR technology to be used and valued by all employees. We have been doing this for over 20 years. This relentless pursuit has led us to work with some of the most innovative and recognized brands, while at the same time creating Vibe HCM - a highly acclaimed HRIS, Talent and Employee Collaboration suite that drives transformative change.

The Team is comprised of energetic, bright, self-motivated folks that work hard and play hard. We provide a range of formal compensation and informal rewards, socialization, and volunteerism opportunities.

Vibe HCM is an equal opportunity employer.
